NO REPUBLIC IS LIKELY.

Prince Peter Almost Certain to be Elected King—Said That the Powers Will Punish the Assassins—Charles of Roumania Severs Connection With the Murderous Regiment.

(By Associated Press.)

Belgrade, June 13.—At midnight last night tranquility prevailed here. The streets had been practically deserted since 9 p. m. with the exception of small military patrols which paraded the thoroughfares. The palace was guarded by a cordon of infantry and all the ministerial residences in the vicinity of the palace were closely guarded by detachments of troops. A general feeling of cheerfulness pervades the city and according to reports the country also. Flags are still flying in all parts of Belgrade. Former Minister Tudorovics has succumbed to his wounds.

Minister of Commerce Genshics in an interview said he considered that if there was any republican tendency in the cabinet it was insignificant. The selection of a ruler, he thought, could not occur before Tuesday, but it was almost certain Prince Peter Karageorgevitch would be elected. Prince Mirko of Montenegro had no chance whatever. M. Genshics was reticent as to the events at the palace early on Thursday morning. He did not consider it expedient to publish an official account of what had transpired until matters had settled down. The minister added that since his accession the late King Alexander committed constant errors and lost his hold on the public by his marriage with Draga Maschin and the comedy played in connection with the preparations for the birth of an alleged heir. The coup d'etat was fixed for June 11 because on that day Draga's wish to proclaim her brother Nikodem heir to the throne was to have been fulfilled. M. Genshics concluded with indorsing Prince Peter Karageorgevitch as an honorable man and an earnest well wisher of Servia.

The Country Quiet.

Paris, June 13.—The foreign office here today received two despatches direct from the French minister at Belgrade saying that the city and country are quiet and that Servian officials say it is established that there is no truth in reports that a portion of the Servian army is marching to attack Belgrade.

Ashamed of His Regiment.

Constantinople, June 13.—It is understood here that King Charles of Roumania, who was honorary colonel of the Sixth regiment, Servian infantry, which perpetrated the massacre at Belgrade, has severed his connection with the regiment which, he considers, has given such "horrible proof of lack of military honor."

Will be Recognized.

St. Petersburg, June 13.—In official circles it is stated that none of the powers is inclined to raise difficulties in recognizing the sovereign Servian parliament elects, whose accession is calculated to end a dangerous condition which might lead to anarchy.

Murder Not Intended?

Paris, June 13.—The Servian legation here has received a number of dispatches from Belgrade. They say no woman except Queen Draga was assassinated, and declare that it was not intended to kill her, but to compel the royal pair to consent to a divorce. When they refused it was proposed that the king abdicate and depart with the queen. He answered by shooting Colonel Naumivics, which brought on a general melee, resulting in various deaths. The queen's sisters have been condemned.

LYNCHERS FRUSTRATED.

Prisoner Wanted Had Been Spirited Away by Authorities.

Greenville, Ill., June 13.—A second attempt at lynching in Illinois within a week was frustrated last night by the vigilance of the authorities who had removed the object of the mob's fury to a place of safety. At 10:30 o'clock a crowd of citizens went to the jail to secure Ben Lee, colored, accused of assaulting a white woman. The mob broke in the doors and found the prisoner gone, Sheriff Floyd having taken him away.

Parks Not Endorsed.

New York, June 13.—The result of the election of the Housesmiths and Bridge Builders' union held last evening to select five judges for the coming election was not known until today. President Robert Neidig announced that five men chosen were T. Dodge, J. Forde, J. Snyder, H. Westfield and P. Kelley.

Neidig said that the selection of these men means a victory over Parks forces: "It cannot be made too strong," he said, "that there was no resolution passed last night indorsing Parks and condemning Jerome. After adjornment and when there were about 200 men in the hall, Parks and the others made speeches. Such resolution may have been passed by them. It is unfair to the great body of 3,800 men in our union that the idea should obtain that we are supporting Parks or condemning Jerome. The opposite is the truth."

Restaurants Must Suffer Next.

Chicago, June 13.—With union employes of 26 hotels on strike, officers of the Cooks' and Waiters' unions announce their intention of turning their attention to restaurants and cafes. Particular attention, it is declared, would be given department store restaurants. Many of the hotels whose strikes are on served breakfast with varying degrees of success today. Outside help is being taken on as fast as presented.

Lady Cook Gets a Retrial.

London, June 13.—The appeal court today granted the application of Lady Cook (formerly Miss Tennessee Claflin of New York) for a retrial of the action brought against her March 3 last by J. H. Wallace formerly her private secretary who was granted a verdict of $2,750 on a plea for libel. The master of rolls in giving judgment, characterized the Wallace suit as blackmailing action and said the verdict could not be allowed to stand.

Eight Condemned Released.

Mexico City, June 13.—The eight prisoners held under death sentence for the lynching of Arroyo, who, in Sept. 1897, attempted to assassinate President Diaz, have been released, the jury having rendered a verdict that they were compelled by fear of their superior officers to commit the crime.

Walter Charged With Murder.

Schenectady, June 13.—Robert St. Clair, employed as a waiter in a local saloon, was held today charged with the murder of Timothy Sullivan, who was found lying outside of the saloon in question, with his skull fractured, early Tuesday morning. The police say they have the weapon with which the crime was committed.

Saved From the Sea.

Manila, June 13.—The U. S. transport Samshu, which June 5 was reported to have been wrecked during the hurricane which swept over the Philippine islands, has arrived here safely.

Alabama Execution.

Clayton, Ala., June 13.—William Cooper, negro, who recently murdered Mr. and Mrs. Andrew Dowling near this place, was hanged here yesterday.

IN A FLAT FIRE.

FIVE PERSONS BURNED TO DEATH IN NEW YORK.

IT WAS SET ON FIRE.

Hallways of the Building Had Been Covered With Oil and Bundles of Rags Had Been Scattered—Brave Work of the Police and Firemen.

(By Associated Press.)

New York, June 13.—Five persons were burned to death early today in a flat building at 347 East 115th street. It is believed the fire was of incendiary origin.

The dead: Theresa DeCicco, four years; Camillo DeCicco, 2 years; Alfredo DeCicco, four months; Francisca Stefano, eight years; Guiseppe Cipriano, 24 years.

It is asserted by the police that the hall ways of the building had been covered with oil, and that bundles of rags saturated with the same substance also were found scattered about the place.

The fire was discovered by Lilio DeCicco, who lived on the third floor of the building. DeCicco's cries of "fire" aroused the other tenants, most of whom made their escape. DeCicco with his wife and one child was taken down the fire escape by a policeman who tried to return for others but was surrounded by flames at the third floor and was preparing to jump when the firemen arrived. Firemen were sent up ladders in an effort to rescue others. Cipriano was found on the top floor still alive but unconscious. He was taken to the hospital where he died. Again firemen started up the ladders but were stopped by the flames and further search of the building was impossible, until the fire was extinguished.

The bodies of the three DeCicco children were found on the third floor The Stefano child was found alive on the top floor. She died while an ambulance surgeon was trying to resuscitate her. Cipriano is believed to have assisted the members of the Stefano family to the street, and to have been overcome by smoke when he returned to make further rescues. The police are of the opinion the fire was of incendiary origin and are investigating. There has been a number of incendiary fires in tenements in this locality and a number of lives have been lost.

FATAL WHISKEY FIRE.

Lives Lost and Much Damage Done by an Explosion.

Glasgow, June 13.—Three men three boys and a woman were killed and a number of persons injured last night as the result of a fire at a whiskey distillery. Thousands of casks of spirits exploded, blowing down the wall of an adjoining flour mill. The victims were buried beneath the debris, around which the blazing whiskey streamed. A million gallons of whiskey were burned.

Great Bank Combination.

Pittsburg, June 13.—Plans have been perfected for the formation in Pittsburg of one of the greatest combinations of banking interests ever undertaken in the country. By the deal the Farmers Deposit National bank, Colonial Trust Co., Colonial National bank, American Trust Co., Pennsylvania Trust Co., Columbia National bank, Tradesmen's National bank, Germania Savings bank and Freehold bank will be merged. The capital of the new concern will be $7,000,000 with $16,000,000 surplus and undivided profits and about $56,000,000 deposits.

Will Punish Assassins.

London, June 13.—A special from Rome says a semi-official note published there declares that whoever is made king of Servia the powers will exact the punishment of the murderers of King Alexander and Queen Draga, as civilized Europe cannot tolerate that high administrative and military positions in any country should be occupied by assassins.

An Insane Man.

A General Merrymaking at Long Point Despite the Cold Weather.

Despite the cold weather and threatened storm this morning a large number boarded the boat at 8:30 o'clock for Long Point to attend the annual picnic of the employes of the Art Metal Construction company. The crowd swelled later in the day until more than 500 were in attendance. The day was cool enough to amek out-of-door sports enjoyable and the athletic events scheduled for the afternoon were enjoyed to the utmost. At the latest reports to The Journal the large crowd was engaged in ball playing, racing, dancing, etc., and a wrestling match between two would-be champions was to be among the features of the afternoon's sport.

EQUALITY CLUBS.

WOMAN SUFFRAGISTS IN THIS CITY TODAY.

Annual Convention of the Chautauqua County Clubs—Business Session This Morning—Election of Officers—Question Box Conducted by Rev. Anna H. Shaw—Lecture This Evening.

The Political Equality clubs of Chautauqua county are holding a convention in Jamestown today and an elaborate program, the chief feature of which is the presence of Rev. Anna H. Shaw, the noted advocate of Woman suffrage, is planned to enlist renewed interest in the work.

The county organization has local clubs in various sections of the county, many of which are represented at this convention. The officers of the county organization are President, Mrs. Agnes Williams, Kennedy; secretary, Mrs. Estelle White, South Stockton; treasurer, Mrs. Martha Prather, Jamestown.

The convention is held in the Y. M. C. A. building. The Jamestown Political Equality club is entertaining the delegates from the outside towns. The officers of the Jamestown club are: President, Mrs. H. M. Chase; secretary, Mrs. Alice E. Bargar; treasurer, Mrs. Anna J. Boyd. These ladies have been untiring in their efforts to provide entertainment for the visitors and that they have succeeded admirably there can be no manner of doubt. In connection with the officers is a special reception committee consisting of the following ladies: Mrs. J. I. Fowler, Mrs. Helen Peckham, Mrs. C. G. Weller, Mrs. Josephine Templeton, Mrs. Anna Gates.

Arrangements were made for serving an elaborate luncheon to the visitors in the banquet hall at 1 o'clock today. These arrangements were in charge of Mrs. Belle Grandin and Mrs. M. M. Skiff, and they performed the duties assigned them in an admirable manner.

Delegates from the county clubs began to arrive about 11 o'clock and by 11:30 quite a company had assembled in the parlor on the third floor.

The business session of the convention was held after the arrival of all the delegates. The clubs represented were Dunkirk, Fluvanna, Fredonia, Kennedy and Jamestown. Reports from the secretaries of these various clubs gave a comprehensive idea of the progress of the work in Chautauqua county, and afforded the members as a whole much valuable information.

At the conclusion of the reports officers were elected for the ensuing year. The result of the election is as follows:

President, Mrs. Martha F. Prather, Jamestown.

Vice President, Mrs. Agnes Williams, Kennedy.

Recording Secretary, Mrs. Mattie Young, Fluvanna.

Corresponding Secretary, Miss Eloise Ely, Kennedy.

Treasurer, Mrs. Mariette Rhodes, Fluvanna.

Auditors, Mrs. Mattie Young, Fluvanna; Mrs. Lucas, Dunkirk; Mrs. Elliott A. Fenton, Jamestown.

A feature of the afternoon program is the question box which will be conducted by this talented exponent of woman suffrage.

This evening Miss Shaw will lecture at the hall on the subject Wowan Suffrage Essential to a True Republic. As the lecture is free and as Miss Shaw is one of the most gifted and talented lecturers of the country, there ought to be a good atendance.

PRACTICE GUN SHOOT.

High School Club at the Range This Morning—Scores Were Small.

The Jamestown High School Gun club held its weekly practice shoot this morning on its range on Ashville Ave. The weather was disagreeable and unfit for trap shooting. The scores were small, the largest being won by Prof. J. E. Morgan and M. T. Southwick, each shattering 9 out of 15 birds, while second honors were won by H. C. Benson and A. H. Fidler, who each found 7 out of their 15 birds. Owing to the fact that the Jamestown Gun club did not answer the challenge sent it by the school shooters, a match that otherwise would have been arranged was prevented. The club heartily hopes that hereafter its challenges will be answered even if not accepted. The next best thing possible was done and teams captained by A. H. Fidler and H. C. Benson were chosen, the latter winning by three birds.
