

3,000,000 LET WAR INSURANCE POLICIES LAPSE

Three-fourths of Officers and Enlisted Men Have Failed to Keep Up Payments Advisory Committee Is Told

ADDRESSES INCORRECT

Bureau Seeks Ways to Get in Touch with Men—Organization on Permanent Basis Is Urged by Advisors

Washington, July 18—Approximately three-fourths of the 4,000,000 officers and enlisted men in the military forces who secured government insurance policies through the war risk insurance bureau during the war have failed to continue their payments. This photograph shows her sewing the eleventh star on the suffrage flag, a purple, white and gold emblem.

Recommendation that the organization of the insurance bureau be decentralized in order to permit more direct and effective transaction of business was made by the advisory committee following its series of conferences with Director Chomley-Jones and other officials of the bureau.

Failure of many policy-holders to continue payments and convert their term policies was attributed largely to the fact that the bureau is unable to communicate with them as thirty per cent of the addresses of discharged service men are incorrect.

The committee recommended that qualified representatives of the bureau be sent to the capital of each state to confer with the governor in order to enlist the aid of state, county and municipal officers in obtaining the correct addresses of discharged service men and keeping in touch with them.

The committee in concluding its report stressed the importance of legislative provision for placing the organization of the bureau upon a permanent basis.

their homes and on automobile rides. In fact, the Broom County chapter of the American Red Cross canteen has yet to receive a call to which it has failed to respond. During the night or in the early morning hours it has often been necessary to collect the aid of local restaurants for hot drinks or sandwiches but the canteen has always been the financier in the project.

Officials of the organization wish to announce that they are still ready to respond to every call and will continue to do so until the last soldier has returned.

Previous to leaving for her winter home at Seabreeze, Fla., last February, Mrs. George E. Johnson entertained the canteen at a dinner at the Arlington Hotel. Nearly 250 were present, including a number of honor guests. The national colors were used for decorations and there was a special musical program appropriate to the occasion.

The canteen was organized in the early part of June 1917, with Mrs. George P. Johnson at its head. Mrs. Edward M. Hunsman was the secretary and treasurer and Mrs. W. Clayton Sesselhuber was the director. The first two still retain their offices, while Mrs. Sesselhuber, who went South to engage in Red Cross work in a community house, was succeeded by Mrs. Marshall E. Keittel, who, owing to ill health, was unable to continue her duties and has since been succeeded by Mrs. Edith Ely Davidge, who is acting field director at the present time. Mrs. Charles F. Johnson, Jr., and Mrs. J. Runyon Burns are the assistants.

Board of Directors. At the time of the organization Mrs. Gilbert E. Rodgers, who has since been succeeded by Miss Sidney Smith, was in charge of the information bureau with Mrs. Marc DeLand Terry as assistant. The board of directors is as follows: Mrs. Frances Gordon Sears, Mrs. Edward E. Kattell, Mrs. Holden S. P. Hall, Mrs. Lewis M. Weed, Mrs. Harry C. Ross, Mrs. Ray W. Pratt, Mrs. H. Wadsworth, Mrs. Charles Grey Wagner and Mrs. Harley Abbott.

Mrs. Fay Benedict, Mrs. Addison Brown, Mrs. Frank Manzan and Mrs. Daisy Raymond are the supervisors, and the captains are Mrs. Holden Hall, Mrs. Edward E. Kattell, Mrs. Ray G. Pratt, Mrs. H. Warner Eggleston, Mrs. Harley Abbott, Mrs. Lewis M. Weed, Mrs. John Hall, Jr., Mrs. George Wadsworth, Mrs. George W. Topliff, Mrs. William G.
